

Skidmore College and  
The Hudson Valley Team

Special Christmas Edition

December, 2006

## Merry Christmas!

Yesterday was our annual Christmas party at Skidmore. Below are some photos, along with the responses to a survey question posed at the party:

If God gave Skidmore a Christmas gift this year, what would you want it to be?

No Stress

Better food

Real fulfillment in Him

Community and Trust

A new music building

A 2007 without a Skidmore power outage.

Healing

International students

My own personal answer to this question would be new life in Christ—and God gave us that gift a few weeks before Christmas this year! Ellen\* is a freshman who has attended freshman SG all semester. She came in to the group wanting to figure out if she really bought any of this Jesus stuff. When God met her in the midst of a really hard semester, she decided that she more than bought it, but that Jesus was worth giving her life to! Pray for Ellen as she grows in her new relationship with Jesus.

\* not her real name

Joy

Jesus  
(even though He's already given it to us)
